## SUMMARY

B.Tech final year student specializing in React.js, with internships at CodeSoft. Currently a Frontend Developer at Salesqueen Software Solution. Seeking a full-time position to leverage my React.js expertise in developing high-quality software solutions.

## PROFESSIONAL EXPERIENCE

### Salesqueen Software Solution Frontend Developer - Full Time

May 2024 - Present

- Developed and maintained dynamic web applications using React.js to create seamless user experiences
- Utilized React hooks and state management libraries like Redux for efficient state handling and improved application performance
- Implemented responsive design principles using CSS frameworks like Tailwind CSS and Bootstrap to ensure applications were mobile-friendly.
- Debugged and resolved issues efficiently, ensuring the stability and reliability of the applications.

### Codsoft Internship

Feb 2024 - March 2024

- Developed a responsive portfolio website using React.js, implementing state management and various components effectively.
- Collaborated with a team of developers, participating in code reviews and brainstorming sessions.
- Gained experience in version control with Git and adopted best practices for clean, maintainable code.
- Engaged in debugging and troubleshooting, ensuring smooth functionality and receiving mentorship from senior developers.

## PROJECT SECTION

### Online Voting Website

- Description:** An online voting system with Aadhar and Voter ID authentication to ensure secure and one-time voting.
- Technologies Used:** React JS, Node.js, Express, MongoDB.
- Responsibilities:** Developed the front-end interface using React; implemented authentication mechanisms with Node.js and Express; set up and managed the database using MongoDB; ensured data security and integrity throughout the voting process.
- Outcome:** Delivered a secure and reliable online voting system that prevents multiple votes and ensures the integrity of the voting process.

## EDUCATION

**Bachelor of Technology (B.Tech)** 2021-2025  
Rajiv Gandhi Proudlyogiki Vishwavidyalaya

- Computer Science and Engineering.

**Senior Secondary (Class 12)** 2019-2021  
Jharkhand Academic Council (JAC) Board

- PCM (Physics, Chemistry, Mathematics),

**Secondary (Class 10)** 2019  
Central Board of Secondary Education (CBSE)  
Board

## SKILLS

### • Frontend Development:

- Skilled in HTML, CSS, JavaScript, and React.js, crafting user-friendly web interfaces for enhanced user experience.

### • Backend Development

- Basic knowledge of backend development, primarily in Node.js, Express, MySQL, and MongoDB.

## CERTIFICATIONS

- Completion Certificate in React.js Development.
- CodeSoft, Web Development Certificate Octanet.
- Services Pvt Ltd, Full Stack Developer Certification from Physics Wallah.
